• Second session: **Potential GCW Stations**

Chair: **Wang Ninglian and Vladimir Aizen**

Start	End	Time	Title	Presenter
14:30	14:45	00:15	GEO contribution to GCW CryoNet	A. Massacand
14:45	15:00	00:15	Cryospheric and related observations over Southeast Tibet	L. Zhu, Y. He
15:00	15:15	00:15	Observations of snow cover in Xinjiang	W. Wei
15:15	15:30	00:15	Cryospheric and related observations in Chinese Tianshan and Altay mountains	Z. Li, S. Liu
15:30	15:45	00:15	Observations of frozen ground in China	L. Zhao
Total		01:15		

15:45 16:15 00:30 Coffee break

Start	End	Time	Title	Presenter
16:15	16:30	00:15	Cryospheric and related observations over Pamir and west Tibet	B. Xu, L. Tian
16:30	16:45	00:15	Cryospheric and related observations at Nam Co, Mt. Everest and Mt. Tanggula	S. Kang, C. Xiao, X. He, G. Wu
16:45	17:00	00:15	Cryospheric and related observations in Qilian Mountains	X. Qin, N. Wang, R. Chen, Z. Li
17:00	17:15	00:15	Cryospheric observations at CMA stations	D. Zhang, J. Wang, L. Ma
Total		01:00		

18:00 Welcome diner

December 4, 2013

• Second session: **Potential GCW Stations (In High Elevation Central Asia)**

Chair: **Ren Jiawen and Liu Shiyin**

Start	End	Time	Title	Presenter
09:00	09:15	00:15		P. Namgyel
09:15	09:30	00:15	Cryospheric Measurements and Observations in Central Himalaya, India	B. P. Thakur
09:30	09:45	00:15	SHARE RIVERS - A long term monitoring of quantity and quality of rivers and running waters in Sagarmatha National Park (Nepal)	F. Salerno
09:45	10:00	00:15	Asia Eurasian cryospheric data archive by CrDAP (Cryosphere Data Archive Partnership) in JAMSTEC	H. Yabuki
10:00	10:15	00:15		I. Severskiy
Total		01:15		

10:15 10:45 00:30 Coffee break

Start	End	Time	Title	Presenter
10:45	11:00	00:15	CAIAG actions on high elevation observations in Kyrgyzstan	B. Moldobekov
11:00	11:15	00:15		G. Rasul
11:15	11:30	00:15		V. Smolyanitsky
11:30	11:45	00:15		A. Kodirov
11:45	12:00	00:15		G. Glazirin
Total		01:15		

12:00 13:30 01:30 Lunch break

• Second session: **Potential GCW Stations (Over High Latitudes of Asia)**

Chair: **Tetsuo Ohata and Ding Yongjian**

Start	End	Time	Title	Presenter
13:30	13:45	00:15	Glacial ecosystems in Asian high mountains	N. Takeuchi
13:45	14:00	00:15		O. Batkhishig
14:00	14:15	00:15		V. Smolyanitsky
14:15	14:30	00:15	Asia cryospheric data archived by NSIDC USA	T. Zhang
Total		01:00		

14:30 15:00 00:30 Coffee break

• Second session: **Potential GCW Stations (Break-out session)**

Chair: **Xiao Cunde**

Co-Chair:

Start	End	Time	Title	Presenter
15:00	17:00	02:00	Potential GCW Stations break-out session	
Total		02:00		

End of the day

December 5, 2013

• Third session: **Observations / Measurements / Data (Part I)**

Chair: **Barry Goodison**

Start	End	Time	Title	Presenter
08:30	08:45	00:15	Cryospheric measurement in China	J. Ren
08:45	09:00	00:15	Chinese Cryospheric data base	X. Li
09:00	09:15	00:15	Observation Network over Cold Regions initiated by Chinese Academy of Sciences (CAS)	L. Zhu
09:15	09:30	00:15		Fengyun missions on Cryosphere observations
09:30	09:45	00:15	In-situ and satellite observations of snow cover and data assimilation in Asia domain	T. Che and L. Ma
09:45	10:00	00:15	Polar Space Task Group of EC-PORS	J. Key
Total		01:30		

10:00 10:25 00:25 Coffee break

• Third session: **Observations / Measurements / Data (Part II)**

Chair: **Jeff Key**

Start	End	Time	Title	Presenter
10:25	10:40	00:15	The 2 nd Glacier Inventory in China	S. liu
10:40	10:55	00:15	Climate regime of Asian glaciers revealed by a new GAMDAM glacier inventory	K.Fujita
10:55	11:10	00:15	Lessons from other regional networks	B. Goodison, V. Aizen,
Total		00:45		

11:10 11:35 00:25 Coffee break

• Third session: **Observations / Measurements / Data (Break-out session)**

Chair: **Wolfgang Schöner**

Co-Chair:

Start	End	Time	Title
